I can enter the Balla Community Resource Centre through the front door.

If the door is closed, I can open it and walk inside.

If the door is open I can walk inside.

I can look at the schedule of events on the window if I want to know what events are happening in the Centre.

I can close the door after I have walked inside the Community Centre.

The Reception office is on the left hand side when I walk in the front door. I can ask the Receptionist who works in this office for information about the Centre if I would like to.

The Front Room is on the right hand side when I walk in the door. Activities and events take place here. I can check the schedule to see what events are scheduled to happen in this room.

If I need to use the toilet, there are two bathrooms on the ground floor. There are visual supports on the doors to help me choose the correct bathroom.

When I walk inside the front door of the Community Centre, I will see the doors to the main hall in front of me. I can open the door to the main hall if I would like to, and walk inside.

I will see a stage at the end of the hall. Sometimes there are performances in the main hall and these will take place on the stage.

At the bottom of the hall on the right hand side, I will see a door that has a visual support with the words "Kitchen". The Kitchen area is for authorised staff of the Community Centre only.

I can go upstairs in the Community Centre if I would like to. There are stairs on the left hand side as I walk in the front door. I can use these steps to walk upstairs.

At the top of the stairs on the left hand side there are two bathrooms. I can use the visual supports on the doors to help me choose the correct bathroom.

At the top of the stairs on the right hand side there is a Quiet Space. If I would like some time to myself or to sit in a quite area I can come up stairs and sit in the Quiet Space.

Beside the Quiet Space there are doors in to another office area. If I need to enter the office area, I can enter via the doors beside the Quiet Space.

When I am finished visiting the Community Centre, I can exit via the door downstairs near the Reception.
